DAILY ROBOTICS LOG

Class Participation Grade

Fill in what you did each period this week. Make sure to include everything you worked on including successes, setbacks and failures. If you were absent or in pull-out for the day, write that. You will be graded based on your content as well as use of proper grammar. You must use a minimum of 3 sentences. The more you write, the better your class participation grade will be.

2 points per day.
